Re: CryoChem Superfund Site

Dear Mr. Boyd:

EPA's records indicate that copies of the Final Remedial Investigation Report and the Draft Feasibility Study Report for the CryoChem Superfund Site were sent to PADER. The documents were sent by JACA Corporation on behalf of the CryoChem PRP Group.

EPA requests your review and comment on these documents by May 11, 1990. If you are unable to thoroughly review the documents within this timeframe, please notify me as soon as possible so I can modify the schedule. Please feel free to contact me at (215) 597-3166 if you have any questions.

Sincerely,
